Dear Ms. Kelly,

This letter is in response to your preliminary review of the July Quarterly Report (04/27/06 - 06/30/06) filed by the Friends of John Peterson campaign committee (Committee ID: C00311852).

Your preliminary review of the aforementioned report indicated that we did not file four 48 hour notices on the date of 04/27/06.

After inquiring into the matter myself, I came to the conclusion that this was an oversight on our part. The problem was most likely mistaking the date that we were required to file 48 hour notices, since this was the first day they were required.

The Friends of John Peterson campaign committee strives to follow the reporting requirements and we regret this oversight. I have put in place a new system of reminders to make sure that it does not happen again.

If you have any further questions, please do not hesitate to contact me at (814)589-7622.

Sincerely,

Rick Sollman  
Campaign Manager
